The Gazette-News

THE GAZETTE-NEWS is a weekly newspaper published
at Daytona, Florida, by Geo. F. Crouch, in the interest of
Daytona and vicinity, is Democratic in political
flavor, and is an advocate of prosperity, peace
and good roads for our citizens. Its columns
are devoted to bringing before our readers a
brief and authentic account of the happenings
of this place and of the adjoining communities.
Our local writers are ever on the lookout for news items and
are assisted by good correspondents from all nearby towns.

The Northerner who spends his winters here, the occa-
sional winter resident, or those who are now making their
first visit to our City, could invest no money where it would
give them greater enjoyment for a year than \$1.50 spent for
a subscription to the GAZETTE-NEWS. In the course of a year
it will tell the Northern reader what Daytona really is, and
if our section of the country would be better suited to him
than his present location.

As to health, we firmly believe that Daytona is as healthy
a location as any spot in the United States, and is briefly
quoted as "Daytona is lost Paradise regained." To tell even
briefly our advantages over other sections of the country
in Health, Investments, Pleasures, and a place one can call
Home, would consume too much space. And as a suggestion,
for your personal enjoyment and business relations in the
South, that you subscribe now for the GAZETTE-NEWS. We
would be pleased to count you as a "Daytona advocate" and
a GAZETTE-NEWS Reader.
